BROADWAY PRODUCTION — 🎵 JERSEY BOYS 🎵

WEDNESDAY, MAY 19TH - Everyone knows their songs. Few know their story. Named for a bowling alley that refused to book them, *The Four Seasons*—**Frankie, Tommy, Bob, and Nick**—were four high school dropouts who emerged from New Jersey to become true American Idols; one of the biggest American pop music sensations of all time. With a shimmy doo-wop sound highlighted by lead singer Frankie Valli's stratospheric falsetto, they wrote their own songs, invented their own sounds and sold 175 million records worldwide, all before they were 30 years old! Hear such hits as "**SHERRY**", "**OH WHAT A NIGHT**", "**CAN'T TAKE MY EYES OFF YOU**", and many more. Jersey Boys won Broadway's 2006 Tony Award for Best Musical. If you didn't come with us to see *Wicked*, don't miss the timeless sound of *The Four Seasons*, *Jersey Boys*. It's the ultimate keepsake. We'll carpool to The Providence Performing Arts Center (PPAC) at 6 pm for the 7:30 show. **You must sign up immediately to secure a block of tickets for our group. Cost is \$68. Payment is due by March 15th.**

LAST CALL for Food Chain by Nicky Silver... Join the Mayfair Mavericks on **Thursday, February 25th** at the **New Black Box Theater in Mansfield**. *The Food Chain* is the playwright's sly revenge on a society obsessed with physical beauty. He says about his play: "It's about obsession, neediness and about being attractive." The play takes place in Manhattan and is about Amanda, an anorexic poet, whose husband of three weeks went out for a walk two weeks prior and has not come back. The New York Post called the comedy "one of the funniest shows to zoom into New York in years." Tickets are \$17. Showtime is 8 pm. Call the office now to reserve your ticket.

HOLIDAY CLOSING

The Mayfair Office will be closed on **Monday, February 15th, 2010** in honor of Presidents' Day. Please call **508-543-4697** and follow the prompts if you have a maintenance emergency. We will re-open Tuesday, February 16th at 10 a.m.

PLEASE LET US KNOW!!

During a walk through our communities recently, we noticed several outside lanterns with bulbs that had burned out. *Please, please*, we encourage you to call the office, 24 hrs. a day, 7 days a week, when you notice any lights not working. This includes outside lanterns, and inside common hallways, and basements. We so appreciate your input, otherwise, we have no idea who is being left in the dark.

LET THERE BE LIGHT!

PLEASE RECYCLE—We would appreciate if you would put your empty laundry detergent bottles in the plastic recycler outside of your building. Not only do these bottles fill up the laundry room waste basket quickly, but by recycling, we can help keep the cost of collection, sorting and re-processing down and keep the value of the plastic high so that we can live in a cleaner environment. Thanks so much for your cooperation in this matter.

ASSIGNED PARKING SPACES

Recently, we have had folks call the office complaining that someone is parked in their space. Please be cognizant of your assigned space; if you are not sure what spaces you have, please call the office to verify. Also, please ensure your visitors park in the spaces marked with a "V". Thanks for your cooperation.

Recipe for February Gypsy Soup

{ Karen Sonnessa }

www.ivu.org/recipes/soup/gypsy.html

- 3 tbsp. olive oil (up to 4 tbsp)
- 2 c. chopped onion
- 2 cloves chopped garlic
- 2 c. sweet potatoes, chopped & peeled, *or* winter squash
- 1/2 c. chopped celery
- 1 c. chopped fresh tomatoes
- 3/4 c. chopped sweet peppers
- 1-1/2 c. cooked chickpeas
- 3 c. stock or water
- 2 tsp. paprika
- 1 tsp. turmeric
- 1 tsp. basil
- 1 tsp. salt
- dash of cinnamon
- dash of cayenne
- 1 bay leaf
- 1 tbsp. tamari soy sauce

In a large saucepan, sauté onions, garlic, celery and sweet potatoes in olive oil for about 5 minutes. Add seasonings, except tamari and the stock or water. Simmer, covered, for 15 minutes. Add remaining vegetables and chickpeas. Simmer another 10 minutes until all vegetables are tender as you like them.

NOTE: The vegetables used in this soup are flexible. Any orange vegetables can be combined with green... for example, peas or green beans could replace the peppers. Carrots can be used instead of, or in addition to, the squash or sweet potatoes, etc.
