## CHARCUTERIE MANIA

*Saturday, March 29th @ 2PM - HC Clubhouse*

We are excited to host Mayfair’s first Charcuterie Board Party. This is a wonderful opportunity to get creative, mingle with your neighbors, and enjoy a delicious array of snacks. Here is your chance to unleash your creativity by crafting your own unique charcuterie board using items of your choice to share with friends and neighbors. Your board can feature meats, cheeses, fruits, special dips or candy, the sky’s the limit.

To accompany these tasty boards, we will provide a selection of wine for residents over 21 years of age, as well as soft drinks for everyone.

As a fun twist, all attendees will have the chance to vote on the best charcuterie boards, with prizes awarded to the top two creations! It’s a great way to showcase your culinary talents and enjoy some friendly competition.

Each family in attendance needs to bring a board. This event is open to all Mayfair residents. Please take a moment to RSVP by calling the office to reserve your spot. The deadline for reservations is March 19th, so don’t wait too long.

We look forward to seeing you there for an afternoon of fun, flavors and new connections.

## PSYCHIC COMEDIAN PETER ANTONIOU

*Friday, April 11th @ MRPAC 7PM*

Join us for an unforgettable evening with Peter Antoniou, a psychic comedian who has captivated audiences around the world. From London’s West End to being a semi-finalist on America’s Got Talent, Peter combines mind-reading feats with engaging storytelling, sharp wit, and improvisational comedy to create a one-of-a-kind live entertainment experience. His performances are funny, interactive, and will leave you questioning the boundaries of what’s possible.

At the age of 9, Peter decided he wanted superpowers and set out on an extraordinary journey to learn how to read people’s minds. After two decades of training with psychologists, hypnotists, psychics, magicians, and shamans, he has developed his remarkable abilities. With a background in improvisational comedy, Peter prompts audiences to consider, “What if, instead of starting the X-Men, Professor X pursued a career in entertainment?”

Peter has become a smash hit, performing in prestigious venues like The Royal Albert Hall, the world-famous Hippodrome Casino, and the Edinburgh Playhouse, among others. He continues to tour internationally with his psychic comedy show, entertaining both corporate clients and sold-out crowds.

We have secured a block of discounted tickets for only \$38 per person. Friends and family are welcome to join this event. Please visit the office to sign up and make your payment by March 27. As always, all sales are final.

## GARDEN MEETING

Wednesday, April 9th @ 7PM

Garden season is just around the corner. If you are interested in obtaining a free garden plot please call the office. Garden plots are awarded on a first come first serve basis. Gardeners are responsible for cleaning out their plots to prepare for planting as well as cleaning them out after harvest.

The mandatory garden meeting, for new gardeners, will be held at the gardens behind building "M" in Pine Tree Gardens. Please be sure not to park in a numbered parking space. Rain date is Friday, April 11th.

## FOXTALES

*A monthly event @ MRPAC*

FoxTales is an evening of dynamic storytelling featuring true tales told by local friends.

Everyone has a great story and storytelling has played an essential role in cultures throughout history. The communal act of coming together to share stories is a powerful event because listening to compelling personal stories creates moments of deeper understanding about our neighbors' experiences.

This monthly series is all about building community and finding common ground while celebrating our uniqueness as individuals.

There are three dates left for this event: February 13th, March 13th and April 10th, at 7PM

Tickets are just \$10 and can be purchased at MRPAC's website. [www.mrpac.art/foxtales](http://www.mrpac.art/foxtales)
