PHANTOM OF THE OPERA

Thursday, March 28, 2019 @PPAC

Critics are raving that this rendition of Phantom of the Opera is “bigger and better than ever before” and we certainly don’t want to miss it! This Andrew Lloyd Webber original will feature a new scenic design by Paul Brown, original costume design by Maria Björnson, lighting design by Paula Constable, new choreography by Scott Amber, and new staging design by director Laurence Connor. The production, overseen by Matthew Bourne and Cameron Mackintosh, will boast many exciting special effects including the show’s legendary chandelier. The beloved story will be performed by a cast and orchestra of 52, making this Phantom one of the largest productions now on tour. With songs like “Music of the Night,” “All I ask of You,” and “Masquerade,” this will certainly be a performance to remember.

We were able to obtain 30 tickets at just \$33 P/P. We only have 4 tickets left and expect they will sell out. Please be sure to stop by the office or call to sign up and pay no later than December 10th. Friends and family are welcome and as always, all sales are final.

MAYFAIR MENTORING

Dianne Weinfeld is looking to establish a Mayfair mentoring program for new residents. Every year we rent to new residents who have relocated, are new to apartment living, or simply looking to meet new people. If you are interested in welcoming a few new residents and serving as a guide to our community please contact the office.

SNOW REMOVAL FORMS

Available to elderly residents and/or disabled residents *who are not physically capable* of moving their own vehicle for plowing. Please stop in the office and sign a release form to allow us to move your vehicle for you. Snow removal needs to be a cooperative effort between our staff and our residents. It also needs to be a cooperative effort between you and your neighbors. **It is imperative that cars are not left on the roads.** Vehicles on the road impedes our efforts to keep the roads clear, as well as making it impossible for emergency vehicles to access your buildings. If you have any questions regarding our snow removal process please call the office.

WINTER VACATION FORMS

Available to all residents who plan to leave for an entire month during December, January, February and/or March. To qualify for this \$15/month credit, you have to be away the first through the last day of the month. We ask that you turn your heat down to 55 degrees and make sure you lock up your apartment before leaving. If you turn off your refrigerator, please make sure that you leave the door open so that mildew does not develop in the unit. For snow removal purposes, please let us know if you plan to leave your car. If so, we’d suggest that you ask a neighbor to move it for you when we have to
