OPEN MIC NIGHT: Perform, Share, or Show Your Craft

Thursday, September 10th | 7PM | Hillcrest Village Clubhouse

Open Mic Night: Perform, Share, or Show Your Craft is coming to Mayfair—and we have YOU to thank for it! You asked, and we listened! Get ready for an exciting evening of talent, laughter, and community as residents take the stage to sing, play music, tell stories, perform comedy, share poetry, and more. We haven't had as many sign-ups as we'd hoped, so we're opening things up—if you have a craft or hobby you'd love to talk about or show off, this is your moment too!

Bring your friends and family. They're welcome to join the fun—and if they've got a talent to share, they can take the stage as well.

Each performer will have up to eight minutes on the mic. Whether you're a seasoned performer, a hobbyist eager to share your craft, or stepping into the spotlight for the first time, everyone is welcome and every talent will be celebrated!

Not performing? Join the audience and cheer on your neighbors—a great crowd makes a great show!

Please call the office by August 31 to let us know if you'll be attending or taking the stage. We can't wait to see what our talented Mayfair community has in store!

EAR ACUPUNCTURE & SEEDING WITH JENNY BRANCO WELLNESS

Friday, November 6th | 6:30PM | Hillcrest Village Clubhouse

We're excited to launch the Mayfair Wellness Series with a unique and relaxing experience at the Hillcrest Village Clubhouse!

Join Jenny Branco, BSN, RN, IHP, AAT, for an evening of ear acupuncture and ear seeding designed to promote relaxation, ease tension, and support overall well-being. Whether you've been feeling stressed, tired, tense, or simply "off," this restorative experience offers an opportunity to slow down and reset.

Ear acupuncture uses specific points on the ear to help encourage a calmer, more balanced state. Customized ear seeds—tiny beads placed on selected points—provide gentle stimulation for several days and may support concerns such as stress, sleep, energy, digestion, headaches, tension, focus, and hormonal changes.

Residents, friends, and family may choose from two options:

Ear Acupuncture + Ear Seeding — \$75 per person

Limited to 11 participants; begins at 6:30 p.m.

Ear Seeding Only — \$35 per person

No participant limit; begins at 7 p.m.
