RE-OPENING MAYFAIR

We are pleased to announce that we have been crafting a plan to safely re-open Mayfair. Our office continues to be open by appointment only. If there is an issue that you would like to discuss in person, please call in advance and schedule a time with our office staff. We continue to recommend the use of masks in common areas when social distancing cannot be maintained. If you are dropping off rent or a renewal please continue to use the rent drop box.

As you may have noticed we have started major construction on the tennis courts. After much consideration we decided to convert the existing courts into one Tennis Court and two Pickleball Courts. Once the courts are open we ask that you kindly use them for their intended purpose. Bicycles, tricycles, rollerblades and other toys will not be permitted on the courts. Our targeted opening date for the Clubhouse, Tennis & Pickleball Courts is June 1st. For the time being the clubhouse will be open to residents only - no guests will be allowed under any circumstances. Please be sure to maintain 6 feet of separation and wear a mask if social distancing cannot be maintained. Please look to our Facebook page and/or an email for an exact date as we get closer. Unfortunately the Sauna in the Putnam Village Clubhouse will remain closed until further notice.

We have also started to open the pools in anticipation of getting a green light from the Foxboro Board of Health. As of today the current state guidelines will make it difficult to open the pools. We are hoping, that with the covid numbers being on a downward swing, the rules will relax. Again, please look to our Facebook page and/or an email to update you on when or if pools will open.

We are starting to slowly re-introduce Mayfair sponsored social activities. At this point we are only looking at day trips. We are in communication with Providence Performing Arts Center in regards to group tickets for shows. It's looking as though there will be opportunity for discounted tickets. It is unclear on which shows will be eligible and how many tickets we'll be able to obtain. **Anyone joining us on any Mayfair sponsored activity must show proof of being fully vaccinated.** You are considered to be fully vaccinated two weeks after your second dose in a two-dose series, or two weeks after a single dose vaccine. We will require proof when you sign up and pay. Exceptions will **NOT** be made to this policy.

CELEBRATING WOMEN'S RIGHT TO VOTE

NEWPORT TOUR

Wednesday, August 18th

Join us in celebrating the 101st anniversary of Women's Right to Vote. On this tour we will learn how Newport played an important role in the 19th Amendment. Our day will start with a 90 minute guided tour of Newport. The local step on guide will be dressed as a suffragette and will highlight the sights connected with the vote campaign and the women of Newport. After our tour we will enjoy lunch at the Atlantic Restaurant while we watch a video about the history of US Suffrage Movement.

After lunch we will visit Marble House. This was the home of Alva Vanderbilt Belmont who was known to hold women's rights rallies at her mansion. We'll take a self guided tour of this gorgeous mansion that features more than half a million cubic feet of marble. We'll complete the day with free time in downtown Newport before departing for home.

Bloom Bus Tours will pick us up in Putnam & Hillcrest Villages at 8:45AM and we expect to return to Foxboro around 6PM. Cost for this trip is \$100. Included in the ticket is roundtrip transportation, guided tour of Newport, lunch and entrance fee to Marble House. Please call the office to **sign up and pay no later than July 15th**. *When you sign up please be sure to let us know your meal choice: Baked Stuffed Scrod or Sautéed Chicken Breast in Tarragon Sauce.* Friends and family are welcome on this trip. Payment and proof of vaccination are due at time of sign up. As always, all sales are final.
